BEFORE REMODELING

AFTER REMODELING WITH ETCHED PLATE GLASS WINDOWS

Your parish will benefit by having distinctive etched plate glass windows. Building maintenance costs will be reduced. Parish members will have an opportunity to contribute to the personalization of each window and custom etched plate glass is 50% to 75% less expensive than stained glass, as well as, less costly to maintain.

Tasa Specialty Glass can provide your parish all of the services to allow you to enjoy the benefits of etched plate glass. From initial consultation, through the design process, to installation and dedication. Tasa Specialty Glass will assist and guide you.
